

THE DEFIBSHOP 1/2 DAY SEMINARS • 25TH OCTOBER 2018

The Grange Golf Club, White Sands Drive, Grange, South Australia.

You are **invited...**

**FREE
SEMINAR**

Defibrillators and sudden cardiac arrest.

WHAT YOU SHOULD KNOW TO BE PREPARED TO SAVE A LIFE!

Come and hear from our guest speaker and Defibshop founder Carpet Hughes. Carpet is a qualified Intensive Care Paramedic with more than twenty four years experience. He knows from hands on experience that defibrillators can, and do save lives. **Topics covered include:**

DEFIBRILLATORS - ALL YOUR QUESTIONS ANSWERED!

- ➔ Risk assessment - Emergency / Response / Evacuation plans
- ➔ AED Placement in your organisation, company or community
- ➔ What brand & model to choose?
- ➔ Servicing and maintenance.

SUDDEN CARDIAC ARREST (SCA)

How to recognise, manage and successfully save a life when SCA strikes!

- ➔ How to recognise prior warning signs of a SCA
- ➔ How to manage a SCA patient and scene
- ➔ How to work with the attending paramedics when they arrive
- ➔ Handy tips on calling for help at your workplace, home or other locations.

DON'T MISS OUT
